chsp : chain space

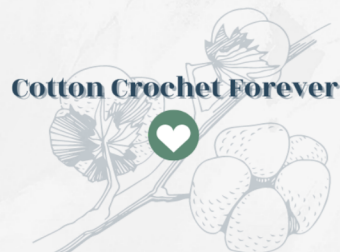

Pattern Instructions

Round 1

Magic Ring with mc, ch1, 12dc into ring. Ss to join (12st)

Round 2

Ch1, hdc in first dc, 2hdc in next dc, (hdc in next dc, 2hdc in next dc) 5 times around, join with ss in first hdc.
Draw up lp of mc. Do not fasten off. (18st)

Round 3

Join cc in any hdc with a sc. sc in next hdc, 2sc in next hdc, *sc in next 2 st, 2sc in next hdc. Repeat from * around. Join with ss in first sc. Fasten off. (24st)

Round 4

Insert hook in st in front of mc lp, draw mc lp through to front, ch1, sc in the same st, sc in next 2 sc, 2sc in the next st. * sc in next 3sc, 2sc in next sc. Repeat from * around, join with ss in first sc. Fasten off. (30st)

Round 5

Join cc with a sc in same st as join on round 4, fptr in dc on round 1 directly below, (sc in next 5sc, fptr in dc on round 1 directly below) 5 times. sc in next 4sc, join with ss in first sc. (30sc, 6fptr)

Round 6

Ch1,sc in first st, ch1, (sc,ch1) in each st around, join with ss in first sc. Fasten off. (36sc,36chsp)

The coaster will start to look a bit ruffly at this point, but the last 2 rounds will neaten it up.

Round 7

Join mc into any ch1sp, ch1 and sc into same sp. sc in next 4chsp then 2sc in next chsp. *sc in next 5chsp, 2sc in next chsp. Repeat from * until the beginning and ss to join. (42st)

Round 8

Work this row in blo.

ch1, sc in next 3 st, 2sc in next st (the increases will not line up so the coaster will look more round)

*sc in next 6st, 2sc in next st. Repeat from * all the way around. The round will finish with 3sc and a ss. (48st)

Finish off with an invisible join and weave in ends.

invisible join step 1.

step 2.
